The minutes of the meeting held on 3<sup>rd</sup> May 2019 having been circulated, it was resolved that they should be signed as a true and correct record.

**21-180 PUBLIC QUESTIONS**

- The state of the mini roundabout at the top of Cove Road was raised. This has been an ongoing problem since it had been installed and there had been an interest in speed on the approach from Lands End. It was suggested that speed cushions be installed on the west side of the roundabout. The member of the public also pointed out that the main culprits were local drivers who were familiar with the road. He thought that the T-junction should be reinstated. Everybody agreed that it needed to be addressed and Councillor Clemens said that he would add it to the list for Rupert Spencer (Highways).

There being no further business, the meeting was closed at 7.04pm.
